

**Nebraska**  
Voluntary Organizations  
Active in Disaster

COOPERATION | COMMUNICATION | COORDINATION | COLLABORATION

*"This training is a valuable opportunity for communities to become better prepared for disasters. Local agency and organization representatives, EM directors, and county officials will walk away with useful, applicable information. I strongly encourage you to take the time to attend the training."*

*Bryan Tuma, Assistant Director  
Nebraska Emergency Management Agency*

*"It is critical that emergency managers, county officials, and local voluntary agencies understand what a MARC is, when it is needed, and how to support them. Thanks to NE VOAD for bringing this training to Nebraska."*

*Darrin Lewis, 2015 President  
Nebraska Association of Emergency Management*
