

You are in a
floodplain
and are at risk
for flood damage!

Go to www.disaster.legalaidofnebraska.org/flooding for more information and to learn about the free legal services available if a flood strikes!

Flash floods are the #1 cause of U.S. weather-related deaths

Flash floods can occur where no streams are present

Not all homeowner policies cover flooding

Two feet of flowing water can sweep away most vehicles

Just 6 inches of moving water can knock you down.

941 O Street, Ste. 825, Lincoln, NE 68508
Toll-free Disaster Hotline: **1.844.268.5627**

Floods are the most common natural disaster in Nebraska. Visit **www.disaster.legalaidofnebraska.org/flooding** to know your risks, prepare for floods, and learn what to do if you do not have flood insurance.
